

Topgrading DVD Tool Kit

Key Objectives

A must-have for serious Topgraders! This tool kit contains two professionally produced and edited DVDs with more than six hours of in-depth modeling, coaching, and advice from Topgrading experts Brad and Geoff Smart. It delivers a polished training seminar without the inconvenience and expense of travel or time away from work.

The DVDs are indexed for ease of use. First, learn the Topgrading principles by working your way through each section sequentially. Later, you can go directly to the content area you need to refresh your skills.

Learn how to simplify your life and turbocharge your career by hiring, coaching and keeping *A Players*! Get smart... get skilled... and get ahead!
